LIFE IS WHAT YOU MAKE IT

Many people these days would say that you have the opportunity and the responsibility to make the most of your own life whereas others claim we are socially predetermined.

Talk about the factors that influence your decisions in life and alternative ways of leading our lives.

You have up to 5 minutes to prepare your talk. You can take notes or make a brief plan of what you are going to say. Talk to the examiners for about 3 – 4 minutes. You can use your notes during your talk but not read them out loud. At the end of your presentation, the examiners will ask you a couple of questions. Your production will be recorded.
